Written by a doctor of Internal Medicine, 1918 is a rigorously researched and accurate historical novel about the pandemic that killed up to 100 million people. The story is told through the eyes of Dr. Edward Noble, an army major and infectious disease sub-specialist, whose unique position in Boston allows him to detect an emerging influenza strain that is an unprecedented global threat. The actual medical literature and terminology of the time, plus real personal accounts of the pandemic, are used to put the reader in the mind of this early 20th century physician. KIRKUS REVIEWS said, . . . (Dr.) Noble is an appealing, knowledgeable focal point in this fictionalized rendering of the great pandemic. . . . Affecting characters and dramatic storytelling. . .
