So, one might ask, what happens when these two classes collide and come in the form of one person? The result, it appears from history, is rarely all good, perhaps due to the difficulty of reconciling the moral high ground with political mud. Another reason why the political clergyman is usually a failure is that each of the worlds major religions has its own identity, culture and even language, and it is often very hard for those outside that culture to understand what a member of the group means by what he is saying. This leaves the door open for misunderstanding and hostility, some of it by design and some by accident. For whatever reasons, clergymen rarely make good politicians, and there is perhaps no better example of this than Father Charles Coughlin, a Depression Era priest turned demagogue who was seen as an angel to some and a devil to others. Both viewpoints had plenty of reasons for their perspectives, for the same man who cruelly castigated the Jews also spoke eloquently on the needs and rights of the most downtrodden in society. The same orator who said, "Roosevelt or Ruin" later cried, "Roosevelt and Ruin." He was a radio priest..
