PRINCIPLES AND PRACTICE OF EXPRESSIVE ARTS THERAPY: TOWARD A THERAPEUTIC AESTHETICS (PAPERBACK)

[DOWNLOAD](#)

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2004. Paperback. Book Condition: New. 228 x 154 mm. Language: English . Brand New Book. Challenging traditional therapeutic approaches to the arts in which art is often secondary to a psychological model, Principles and Practice of Expressive Arts Therapy provides a coherent theoretical framework for an expressive arts therapy practice that places the process of art-making and the art work itself at the center. This book lays the philosophical foundation for a fresh interpretation of art-making and the therapeutic process by re-examining the concept of poiesis. The authors clarify the methodology and theory of practice with a focus on intermodal therapy, crystallization theory and polyaesthetics, and give guidance on the didactics of acquiring practical skills. Case studies of clinical practice and guidance on supervision and training in intermodal expressive arts therapy complement the theoretical chapters. Combining philosophy, theory and practice, this book is an essential text for students and academics in the field and for practicing expressive and specialized arts therapists.
