God is a Gamer

By Ravi Subramanian

Penguin Books India, 2014. Softcover. Book Condition: New. Aditya is an entrepreneur, running his own gaming company. The arrival of a part-time drug dealer and full-time genius named Varun turns Aditya's struggling company's fortunes around. However, things are not as they seem. A banker slips from the rooftop of a high-rise building and falls to his death. A finance minister with his heart on his sleeve discovers that he has made some promises which will cost him far too much. An explosion in Washington D.C. leads the FBI to a chase in Mumbai. The investigators begin to plummet down a world where bitcoins are the only meaningful form of currency. Here, everything is governed by the Dark Net, a group of nefarious websites dealing with illegal transactions. In this world, God is a Gamer, martyrs are villains, the hunters become the hunted and the ancient Greeks teach the secrets of assassination. In this new novel, nothing is what it seems. Printed Pages: 324.
