IT is only very gradually that we are obtaining a real knowledge of the Middle Ages. Hitherto it has been one of those subjects which no one could approach without getting into a passion. Just as no one can talk soberly of Mary, Queen of Scots, so it would appear as if few could keep their tempers in speaking or writing of the mediceval time. The fact is that it is only by little that we can understand a period so very different from our own. A chaotic time is always a time of great contrasts, when profound ignorance exists side by side with considerable learning in individual instances, when heresies are wild and monstrous, while faith is touchingly simple and devoted. The real difficulty is to estimate the condition of the masses. It requires a patient spirit of research into minute details and dry statistics, united with a reverential admiration, a sifting criticism as well as a devout imagination, to avoid overweighting isolated instances and attaching undue importance to outstanding and striking features. I am not...
