RareBooksClub. Paperback. Book Condition: New. This item is printed on demand. Paperback. 50 pages. Original publisher: Washington, DC : U. S. Environmental Protection Agency, 2006 OCLC Number: (OCoLC)67981912 Subject: Military base conversion -- Environmental aspects -- United States. Excerpt: . . . Updating historic buildings After 200 years as a cannon and armament manufacturing facility, the former Water-town Arsenal in Massachusetts closed in 1995. It is now an ofce and manufac-turing center, with a mix of restaurants, retail, childcare centers, sports facilities, and pedestrian and bicycling trails. The Modern updates to historic buildings make ofce space in historic brick buildings that house the new Watertown Arsenal enticing. development create a unique and appeal-ing setting. The renovation preserved the structures architectural integrity while modernizing every building, including rewiring them with ber-optic cables so all tenants could have internet access. Protecting wildlife Some bases occupy very desirable land: a water-front, the center of a growing neighborhood, or prop-habitat erty surrounded by parks. Many of the former installa-Closed in 1991, New Hampshire's former tions were communities unto themselves, so they often Pease Air Force Base sits on the shore already have golf courses, playing elds, swimming of Great Bay, which supports the largest...
