Some of the stories look into the heart of relationships. Others deal with abuse. All attempt to show people at a point where they not only recognize the good and evil that is a part of us all, but find a balance between the two. In the story Sympathetic Magic a metaphor is used that shows how new life can come from death and change. Sympathetic magic, as you may know, is a kind of magic that happens when one event affects another. Versions of a Life looks at a man who has been given many special gifts, but feels he should choose one--add to the situation a picture of a woman who must choose between three children. Is the choice (or all choices in life) fair--or even possible Stories, like lifes experiences, are mirrors. Let us choose to look. This item ships from multiple locations.
