Original Innocence is William Fechters insightful and seminal work offering a new paradigm of innocence instead of the traditional religious beliefs centered around a fallen human status. This serious, explanatory work will reveal the three mysteries of life concerning suffering, ignorance, and creation. The paradigm from human guilt and culpability to a souls original and eternal innocence is indeed a paradigm shift of great magnitude. Original Innocence inspires with its unique paranormal treatise. It details how both religion and scientific materialism have been off the mark with their explanations about human imperfections. The author also addresses...
