The book of Proverbs is a compilation of wise sayings, general truths, fundamental principles, or rules of conduct. The Hebrew word translated proverb is also translated oracle and parable. Most proverbs are short, compact statements that express truths about human behavior using contrasts or direct comparisons. Many proverbs describe the consequences of a particular action or character trait. (Read a full summary on the Book of Proverbs here: // The opening chapter of Proverbs explains the purpose of this book written mostly by Solomon: Their purpose is to teach people wisdom and discipline, to help them understand the insights of the wise. Their purpose is to teach people to live disciplined and successful lives, to help them do what is right, just, and fair. These proverbs will give insight to the simple, knowledge and discernment to the young. (Prov. 1:2-4 NLT) In a world that has lost sight of principles and unchanging foundations, Proverbs offers a steady view of life, structure for living, and a path to life, prosperity and security-like living in a house. Jesus, through His life and resurrection, has become our wisdom: 1 Corinthians 1:30 But because of Him are ye in Christ Jesus, who from God is made unto us wisdom and righteousness, and sanctification and redemption. Christ provides wisdom. We only need to discover how wisdom works and apply it to our lives. Let s go into The House of Wisdom designed by God!.
