Reviews

Certainly, this is actually the very best job by any author. it was writtern very flawlessly and beneficial. I found out this publication from my dad and i recommended this ebook to discover.
(Magali Robel)

EMIGRE AND FOREIGN TROOPS IN BRITISH SERVICE, 1803-15

Osprey Publishing. Paperback. Book Condition: new. BRAND NEW, Emigre and Foreign Troops in British Service, 1803-15, Rene Chartrand, Patrice Courcelle, Following his study of the astonishing range of French Royalist and foreign mercenary units employed by Britain in the period 1793-1802 of the French Revolutionary Wars (Men-at-Arms 328), the author describes - often for the first time in an English language publication - the part played by their successors during the crucial years of the Napoleonic Wars. He covers not only relatively well-recorded units, such as Roll's, Meuron's and Watteville's Swiss corps, but also the unjustly neglected Italians, Corsicans and Greeks, and such exotica as the African and Ceylon regiments. Uniform details of nearly 40 corps are based on impressive primary research, and this book and its companion volume make a genuinely new contribution to Napoleonic studies.
