This item is printed on demand - Print on Demand Neuware - Mrs. Flournoy's Collection of Quotes and Affirmations: Learning Life's Lessons provides a set of ingredients for making lemonade in a life sometimes filled with lemons. It is about using the philosophies of leaders throughout history who have succeeded in our imperfect world. It is also about learning to be proactive thinkers who are open to new ideas and schools of thought. This uplifting selection of quotes and affirmations seeks to find those committed to making the most of their time on earth, contributing positively to mankind by being ourselves, being generous with our talents and gifts, and being receptive to the idea of always giving the best of ourselves with love. You can quote Mrs. Flournoy on that! 'I am inspired by quotes and affirmations, which make me believe others will be motivated by them as well,' she says. D. L. Brazzell Flournoy is a high school English language arts teacher who resides in Detroit with her husband, children, and pets. She enjoys reading, writing, and playing basketball and tennis with her family. Her other published works include an anthology of poems and short stories in which she was co-author, titled In the Company of Writers, Do Your Relationships Define You (Black Male Magazine), and Black Eyed Peas for the Woman's Soul, a collection of essays and poems published by AuthorHouse.
