## LITERATURE 1969: PART 2

[DOWNLOAD](#)

Springer-Verlag Berlin and Heidelberg GmbH & Co. K. Paperback. Book Condition: New. Paperback. 528 pages. Dimensions: 9.8in. x 7.0in. x 1.3in. Astronomy and Astrophysics Abstracts, which appears in semi-annual volumes, is devoted to the recording, summarizing and indexing of astronomical publications throughout the world. It aims to present a comprehensive documentation of literature in all fields of astronomy and astrophysics. Every effort will be made to ensure that the average time interval between the date of receipt of the original literature and publication of the abstracts will not exceed eight months. This time interval is near to that achieved by monthly issued abstracting journals, compared to which our system of accumulating abstracts for about six months offers the advantage of greater convenience for the user. Volume 2 contains literature published in 1969 and received before March 15, 1970; some older literature which was received late and which is not recorded in Volume 1 is also included. The authors of papers who have sent us abstracts on request have effectively contributed to the success of our service. We should like to express our gratitude to them. We acknowledge with thanks contributions to this volume by Dr. J. Boua, who surveyed journals and publications in Czech language and supplied us with abstracts in English, by Dr. B. Onderlicka, Brno, for providing English abstracts of Russian papers, and by the Commonwealth Scientific and Industrial Research Organization (C. S. I. R. O. ), Sydney, for providing titles and abstracts of papers on radio astronomy. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
