

Supercharged Combustion Volume III: Tesla Coil (Paperback)

Filesize: 6.05 MB

Reviews

It is great and fantastic. I actually have read and so i am certain that i am going to going to go through once again yet again in the future. I realized this ebook from my dad and i encouraged this book to find out.

(Dr. Kayden Gerlach)

SUPERCHARGED COMBUSTION VOLUME III: TESLA COIL (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. Anatalia Anais Zavaleta (illustrator). 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Volume III is the latest book in this louche catharsis centered around the introverted random tangent. This episode takes place 7+3+2 years later as she tackles reality vs. fantasy with the moon as her companion. Her mind wanders off into the past blurred into the present forcing her to question the decisions she has made since and why they continue to torment her. She spends much of her time analyzing if her instincts and life s clues are deliberate, psychic or is she grasping at straws. Tesla Coil is the third unedited tale for the Supercharged Combustion series riddled with erotic metaphors, imaginary conversations and inner thoughts. She is challenged with the fantasy of love lost, the connections with our past and how their gravity and coincidences are too strong to ignore.
