Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Simon Spotlight, United Kingdom, 2013. Paperback. Book Condition: New. 192 x 130 mm. Language: English . Brand New Book. In the conclusion to the Saranormal series, Sara discovers the connections between the past, the present, and her powers. Sara was absolutely thrilled to find the diary that her mother left hidden away so long ago--but she s quickly disappointed by what she reads. She learns that her mother had paranormal powers too, and she hated them so much that she somehow managed to get rid of them. How did she do that? And is that the secret message she has for Sara? Will there ever be a way for them to communicate? Meanwhile, Sara s crush, Mason, seems to like her back, but he doesn t want anyone else to know they re hanging out. Especially not after a rumor gets started about Sara and her paranormal powers. Sara doesn t care anymore what other people think--but Mason does, and that s a problem. When Mason begins to fear that his association with Sara will somehow cause his own paranormal secret to be revealed, Sara has to decide: Will she stand up for who she is, even if it means losing the boy she likes so much?.
