Shunned by her own family, desperate for work a place to stay, Esther Everatt walks through the night to Sam Brumby's farm, seeking the chance to earn her keep. Reluctantly, the old man takes her on. Able to work alongside any man, Esther soon earns Sam's grudging respect and affection, and at last feels she has found a home she can call her own. But her peace and security are cruelly shattered when old Sam dies: as a woman, she has no right to inherit the lease on the farm. Believing that her passion lies solely with the land and a place of her own, Esther prepares to risk everything to secure her future - seeking marriage with a local farmhand. But as war arrives to dash the hopes of a generation, Esther begins to discover that it is only the truest of love that can survive the passing of the seasons .
