## THE HIGHER POWERS OF MIND AND SPIRIT

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 178 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. We are all dwellers in two kingdoms, the inner kingdom, the kingdom of the mind and spirit, and the outer kingdom, that of the body and the physical universe about us. In the former, the kingdom of the unseen, lie the silent, subtle forces that are continually determining, and with exact precision, the conditions of the latter. To strike the right balance in life is one of the supreme essentials of all successful living. We must work, for we must have bread. We require other things than bread. They are not only valuable, comfortable, but necessary. It is a dumb, stolid being, however, who does not realize that life consists of more than these. They spell mere existence, not abundance, fullness of life. We can become so absorbed in making a living that we have no time for living. To be capable and efficient in ones work is a splendid thing; but efficiency can be made a great mechanical device that robs life of far more than it returns it. A nation can become so possessed, and even obsessed, with the idea of power and grandeur through efficiency and organisation, that it becomes a great machine and robs its people of the finer fruits of life that spring from a wisely subordinated and coordinated individuality. Here again it is the wise balance that determines all. Our prevailing thoughts and emotions determine, and with absolute accuracy, the prevailing conditions of our outward, material life, and likewise the prevailing conditions of our bodily life. Would we have any conditions different in the latter we must then make the necessary changes in the former. The silent, subtle forces of mind and...
