Coffee House Press. Paperback / softback. Book Condition: new. BRAND NEW, Autopsy of an Engine: And Other Stories from the Cadillac Plant, Lolita Hernandez, "'Autopsy of an Engine' is the most surprising love story I've read all year. The workers in the Cadillac factory who populate this book may not be related, but in the hands of the amazing Lolita Hernandez they become one moving multicultural family. Writing with tenderness and humor she gives voice to the piston crew and the timing chain women, the foremen and the chassis line. Some of these stories just break your heart. I stayed up all night reading and for weeks afterward Abbie, who brought a ghost factory back to life, haunted my dreams. This is a passionate cry from the factory floor, a story you can't forget from a voice that has not been heard before."-Ruth Reichl Full of magic and soul, these 12 stories bring to life the spirits that populated Detroit's Clark Street Cadillac factory until its last smokestack was airlifted out in 1994. Each story is a tribute to the grit, passion and bravado that transformed Detroit into the Motor City and the Cadillac into America's premier luxury car. They are also a heartbreaking testament to the decline of the auto industry and the loss of jobs that turned Motown inside out, creating a haunted landscape of abandoned factories and decaying boulevards. Told from the diverse perspective of unionized assembly line workers and management, janitors and engineers, payroll clerks and retirees, these stories capture the raw and vibrant hum of humanity that found its way into every piston, spark plug and belt, even as the last Fleetwood rolled off the line, its engine purring into the Detroit night. They are about family, friendship, resilience, loyalty, and letting go, but mostly they are...
