Poppy's charming yellow dog starts off by eating Rocky's accordion. All of it. He snacks on a bouncing ball that belongs to Uncle Bennie's dog Buster, and then makes a meal out of the rest of the alphabet. From glue sticks to underpants, Pete works his way through all twenty-six letters in Maira Kalman's creative take on traditional alphabet books. Packed with Kalman's trademark bright artwork and a hilarious story filled with wordplay and repetition, this alphabet book is pure fun from A to Z.

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
