A WEEK OF AWAKENING-A PRACTICAL GUIDE TO PERSONAL TRANSFORMATION

JPartida Consulting. Paperback. Book Condition: New. Paperback. 196 pages. Dimensions: 8.4in. x 5.5in. x 0.7in. Do you ever feel discouraged and disillusioned with your life? Do you feel that you have somehow lost the interest and passion for living? Has the pain you've had to endure knocked the wind out of your sails? Do you feel lost? Instead of a gift, does your life seem to have become a chore; a long, numbing nightmare with no change in sight? Well then, it's time to AWAKEN and live the full, rewarding life that is your promise and divine inheritance. For more than twenty-five thousand years our native ancestors have been carefully studying the predictable patterns and cycles of life. The Nican-Tlaca, peoples of tribes we now know as Toltecs, Aztec, and others, were able to recognize that all of creation moves according to predictable patterns. The same patterns move through our lives and our own self-awareness. In your life, you have been exposed to pain and suffering. You have inadvertently picked up many false teachings that have clouded your true worth and identity. You are not a sinner. You are not undeserving and you are not a victim. These false beliefs are learned early on, during your formative years, and they become part of what you come to know as your personality. False beliefs are etched in your subconscious and become part of your automatic responses to life, thus limiting your ability to accurately perceive the unbound joy, peace and potential that surrounds you every waking moment of your life. In this book, you will learn how to identify, remove and replace patterns of thought and behavior that have been limiting your full potential. You will learn to release blocked pain and suffering and you will learn to allow the...
