Random House LCC US, 2016. Paperback. Book Condition: New. 172 x 103 mm. Language: English . Brand New Book. Stories you ll never forget?just try?from literature s favorite transgressive author Representing work that spans several years, Make Something Up is a compilation of 21 stories and one novella (some previously published, some not) that will disturb and delight. In Expedition, fans will be thrilled to find to see a side of Tyler Durden never seen before in a precursor story to Fight Club. And in other stories, the absurdity of both life and death are on full display; in Zombies, the best and brightest of a high school prep school become tragically addicted to the latest drug craze: electric shocks from cardiac defibrillators. In Knock, Knock, a son hopes to tell one last off-color joke to a father in his final moments, while in Tunnel of Love, a massage therapist runs the curious practice of providing relief to dying clients. Funny, caustic, bizarre, poignant; these stories represent everything readers have come to love and expect from Chuck Palahniuk.
