Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from String of Pearls, From an Old Casket The Author, from whose writings these extracts are made, is the Rev. Wm. Seeker. The only work of his which it has been my privilege to meet with, is a volume of Sermons, on the words - What do ye more than others? This volume was first published in London, in the year 1660. In accordance with the fondness for quaint titles, then prevailing, it was called The Non-Such Professor in his meridian splendor; or, The Singular actions of Sanctified Christians laid open. I have been unable to find any definite, or satisfactory information respecting the author in question. Nothing more than his name occurs in any of the biographical dictionaries that I have been able to consult.
