THE VOICE OF BENMODTHEEVOLVINGSPECIES THOUGHTS, IDEAS, VIEWS, AND OPINIONS TO HELP YOU MANAGE YOURSELF IN LIFE

CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 102 pages. Dimensions: 8.0in. x 5.0in. x 0.2in. This is a book motivated by the endless struggles portrayed by modern human-life styles, despite the fact that we humans consider ourselves to be the most sophisticated and well-advanced species ever. Some even believe that we are the ultimate in all of nature creations, and that everything that exists was meant for humans. However, the world today is inundated with human activities that contradict the view that humans are the most advanced amongst all living species. All around the globe we see daily conflicts ranging from the scale of wars between and among nations to community and family tragedies that have resulted, and still continues, in the destruction of life for the human species by the human species. Modern man alone is succeeding in polluting the environment, in which also lives other species, and hence poses a great risk to all that is life on Planet Earth. Nations, communities and organisations in many parts of the world continue to struggle to develop effective structures and systems that can allow for a long-term enhancement of the quality of life for all. This is despite the numerous and costly developmental initiatives and work reform processes introduced at different levels of human organisational settings. Does this reflect the highest level of operation of the human brain in terms of developing thoughts to secure and sustain life for the human species Is the human species developing or deteriorating The concerns and questions above are what the author of this book, Dr. Benson N. Modie, often found his mind engaged on, as he observed the struggle that humans undergo on Planet Earth. Ultimately, Dr. Modie developed the zeal to share these concerns and...
