It took nerve for Northern California socialite Teresa Drake to walk away from her family's famed wine empire. Flying off to Alaska is even riskier--especially when the budding journalist stumbles down a cavern while admiring the spectacular sights. But it's her gorgeous rescuer who makes Teresa truly reckless. The night she spends with mogul Atka Sinclair convinces her she's found her soul mate, until her charming lover becomes her worst enemy. Atka has deep ties to his native land. So how can he trust the pampered beauty who just published a glowing article about the politician out to destroy his people's heritage? But as traitorous desire reignites, Atka realizes what he and Teresa share is too precious to lose. Will pride prevent him from building a future with the woman who could write them the most thrilling love story of all?
