Brand New Book ***** Print on Demand *****.Excerpt from The Veterinary Science: The Anatomy, Diseases and Treatment of Domestic Animals, Also Containing a Full Description of Medicines and Receipts At the request of some of the leading stockowners and prominent farmers of Canada and the United States, and believing that a work of this kind has long been wanted by those interested in domestic animals, the authors have undertaken the publication of The Veterinary Science in the simplest English language. They have endeavored to make it a profitable and interesting study for stockowners and their sons, who, by carefully consulting its pages, will find it to contain information of untold value. Part I. contains the practical anatomy or conformation of the horse, and should be carefully studied. The diseases and treatment of the horse follow in Part II. Chapter I. lays the plan of how to examine a sick horse, and as the reader proceeds it will be found simple in the extreme. Mistakes in dealing with a case can hardly be made, as the causes, symptoms and treatment of the diseases are so fully explained that the stockowner has but to follow the directions laid down. The comparative anatomy, diseases and treatment of cattle in Part III. will likewise be found as simply and satisfactorily explained as that of the horse. The diseases and treatment of sheep, found in Part IV., are fully dealt with, and it will be found by persons who read and study this part of the book that sheep are as easily treated as any of the other animals. The same may be said of the diseases and treatment of pigs, dogs and poultry, found in the same Part....
