By Gerard J. Connors, Mary Marden Velasquez, Dennis M. Donovan, Carlo C. DiClemente

Guilford Publications. Hardback. Book Condition: new. BRAND NEW, Substance Abuse Treatment and the Stages of Change: Selecting and Planning Interventions (2nd Revised edition), Gerard J. Connors, Mary Marden Velasquez, Dennis M. Donovan, Carlo C. DiClemente, A widely adopted practitioner resource and course text, this book shows how to apply knowledge about behavior change in general - and the stages-of-change model in particular - to make substance abuse treatment more effective. The authors are leaders in the field who describe ways to tailor interventions for clients with varying levels of motivation or readiness to change. They draw on cutting-edge theory and research to explain what works (and what doesn't work) at different stages of change. Rich clinical examples illustrate the "whats", "whys," and "how-tos" of using the stages-of-change model to inform treatment planning and intervention for individuals, groups, couples, and families. New to this edition: Reflects the ongoing development of the stages-of-change model and research advances over the past decade. Chapter on stage-based brief interventions in health care, social service, and community settings. Group treatment chapter has been significantly revised. Expanded coverage of the change processes relevant to each stage. This book will appeal to practitioners and graduate students in clinical...
