

Secret History (Paperback)

Filesize: 8.78 MB

Reviews

The publication is great and fantastic. It is probably the most remarkable book i actually have read through. Its been printed in an exceedingly easy way and it is merely right after i finished reading through this publication where in fact altered me, modify the way i think.

(Tomas Witting)

AUTHORHOUSE, United States, 2012. Paperback. Book Condition: New. 296 x 206 mm. Language: English . Brand New Book ***** Print on Demand *****.This book is a fascinating account of a number of criminal cases in the United States and in the United Kingdom, some of which resulted in wrong convictions. The book is part narrative, part analysis. The analysis, in particular the demolition of the reputation of Whittaker Chambers, ex-spy and idol of many Americans (he was awarded the Presidential Medal of Freedom) will arouse debate and rethinking of the real lessons of the cases. The British cases will shock the complacency of many British people. Both parts are relevant to the current debate on how to deal with Islamic terrorists, whose fanaticism recalls that of the IRA and supporters of Communism. The book includes an analysis of Communism and the way in which its supporters manipulate fact for their own ends.
