Excerpt: . . . adequate housing, reform of the poor laws, the unemployed, hours and conditions of labor, education provisions and criminal procedure, agriculture, more equal taxes, are illustrations of the new social politics. It is perhaps less known that this leader of mobs, as he was called in the eighties, lays the noblest stress upon definite moral responsibilities. As a preacher of temperance in its larger sense, he has few peers in England. Listen to recent words of his. Our foes, he says, are not external, but of our own household. In our wasteful government, our boastful policies, our riotous appetites, our disregard of the warning of other times lie our distresses. In war, drink, betting, gambling we must seek the real cause for any difficulty there may be in our industrial instincts, physical endurance, mechanical ability, or consuming capacity. Let us repress our vices, chasten our...

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.
