Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

NOBLE HEIGHTS - EGYPT & INDIA

New Bharatiya Book Corporation, 2011. Hardcover. Book Condition: New. 1st Edition. Both ancient civilizations of Egypt and India are great and divine. Out of these two, Ancient Egyptian civilization has significant and extensive evidence of its surpassing heights by way of lofty pyramids, beautiful temples, fine art pieces and attractive hieroglyphic writings on papyrus papers. There are ample signs of philosophical and technical progress made by the ancient Egypt. On the other hand, Indian heritage of Philosophy and science is evident from Vedas, Upanishads, some Scientific Sanskrit Books and the great Epics. Attempt is therefore made here in this book to find out answers to these fundamental problems faced by mankind from ages till date. It is basically a comparison of the thinking of two great ancient civilizations.
